AviaSAFE SMS – SAFETY CULTURE SURVEY QUESTIONNAIRE

Master contract: public/survey/default_q.js (v3.0.0, 2026-07-17)

Verification reference: ICAO Annex 19 SMS framework – 4 Components / 12 Elements

Compiled: 2026-08-17

=====

Total questions: 23 (22 scored Likert/binary + 1 optional free-text comment)

Response scale: 1 (Strongly Disagree) ... 5 (Strongly Agree); binary q1 = Aware/Unaware

COMPONENT 1 – SAFETY POLICY AND OBJECTIVES

[Element 1. Management commitment and safety policy]

Q1. (q1_aware, binary) I am aware of my organization's Safety Policy Statement.

Q2. (q2) Employees at all levels are regularly informed and reminded about the Safety Policy Statement.

Q3. (q3) The Safety Policy Statement clearly demonstrates the organization's commitment to safety.

Q4. (q4) The Safety Policy Statement is applicable and relevant to all employees, regardless of their role or level.

[Element 8. Safety performance monitoring and measurement]

Q5. (q5_spi) I am aware of our organization's safety performance targets and how we are tracking against them.

COMPONENT 2 – SAFETY RISK MANAGEMENT

[Element 6. Hazard identification]

Q6. (q6) I believe that our organization has an effective hazard reporting process.

Q7. (q7) I feel comfortable reporting safety concerns through our hazard reporting process.

Q8. (q8) Our hazard reporting process is easy to use.

Q9. (q9) Reporting safety issues has clear value for my personal safety and the safety of my colleagues.

Q10. (q10) I feel safe to report any safety concern without fear of negative consequences.

Q11. (q11) When I observe an unsafe act or condition, I report it through the appropriate channel.

[Element 7. Safety risk assessment and mitigation]

Q12. (q12_risk_assess) I understand how risks are assessed and prioritized after a hazard report is submitted.

Q13. (q13_action_inform) I am informed of the actions taken to address hazards I have reported.

COMPONENT 3 – SAFETY ASSURANCE

[Element 8. Safety performance monitoring and measurement]

Q14. (q14) Management provides good feedback regarding the organization's safety performance.

Q15. (q15) Management follows up regarding safety issues that have been reported.

Q16. (q16) Safety audits and inspections are carried out regularly in my work area.

[Element 10. Continuous improvement of the SMS]

Q17. (q19_invest_outcome) I am informed of the outcomes of safety investigations relevant to my work area.

Q18. (q20_corrective) Corrective actions arising from safety findings are actually implemented.

COMPONENT 4 – SAFETY PROMOTION

[Element 11. Training and education]

Q19. (q17) I am given sufficient training to competently and safely perform my duties.

Q20. (q18) I have access to the checklists and procedures needed to complete my duties safely.

[Element 4. Coordination of emergency response planning]

Q21. (q22) In the event of an emergency, I know which procedures to follow and who to contact.

[Element 12. Safety communication]

Q22. (q21) I am kept informed when changes are made that may affect safety in my role.

Q23. (q23_peer) My colleagues take safety seriously in their day-to-day work.

OPTIONAL FREE-TEXT (not scored)

Q24. (q24_comments) Comments / additional observations (optional).

=====

12-ELEMENT COVERAGE CHECK

=====
